Men Old at 35

One Million Baldheads Who Thought Dandruff Wasn't Dangerous.

In the United States and Canada today there are nearly a million men who at 35 can be put in the baldhead class. When these men had thick, vigorous

bair, dandruff made its appearance.

That was the time to attack the enemy of mankind—the persistent little devil called a dandruff microbe, or germ, that burrows deep down into the hair root and saps it of the vitality that

The primary grade in the White Rivso essential to the hair.

Young men, or any man, for that matter, beware of the dandruff germ; it is not a theory, but an actual condi-tion that confronts you. That dandruff is caused by a germ, to proven beyond question. That this germ destroys the The first trip of Robert Pulton up hair root is to-day a matter of common
